

Heavy duty

Our commercial batteries are designed for Australia's punishing terrain. We source from the world's leading manufacturers and validate batteries in our Australian lab to ensure quality, reliability and performance. Our comprehensive commercial range includes batteries for virtually any truck, tractor and 4x4 application.

Features and benefits:

- Reliable engine starting capability
- Power to run vehicle electronics
- Designed for heavy duty use in rugged driving conditions
- Exceptional vibration resistance
- Maintenance free with a durable fully sealed construction
- Sourced to premium European standard specifications
