

Starting - Calcium

Our batteries are designed for Australia's punishing terrain. We source from the world's leading manufacturers and validate batteries in our Australian lab to ensure quality, reliability and performance. Our comprehensive battery range includes batteries for virtually any car, truck, tractor, marine and 4x4 application.

Features and benefits:

- Supports basic SLI (starting, lighting & ignition) application
- Exceptional and reliable starting performance
- Fully sealed and maintenance free design
- Built tough to suit Australian conditions
